HEDGE ACCOUNT CERTIFICATION

To: Marex North America LLC

MNA New Accounts:

Unless specified in writing to the contrary, all orders for the purchase or sale of the following commodities and commodity futures and option contracts for my account will represent "hedging" transactions and positions as defined in Commodity Futures Commission Regulation 1.3 as such regulation currently exists or may hereafter be amended.

List commodities to be hedged:

If orders are given for the purchase or sale of futures contracts which do not meet the definition of "hedging", I shall advise Marex North America in writing to effect and will keep these and other contracts margined as required by Marex North America and any applicable contract market rules.
